My dear son in Jesus Christ¹,

Here is a letter sent to me by young Baudumont². It seems to me that we will have there a devoted subject who will be capable of helping us out of a mess. We will discuss it on Sunday.

Yours as ever in Our Lord,

17th December 1841

¹ Mr Albert Vandervelde [29]

² Mr Ferdinand Baudumont [76]. His number must be wrong as he had only just joined and the current numbers were in the 120-130 range.
