

Please, deliver the enclosed to Mme Emérence.

L.S.J.M.J.

18-64

Madame Superior

It seems to me that you cannot invite Mme Emérence to your feast. I cannot then allow you to make that invitation, nor to subscribe to the desires which would be expressed in favor of an invitation of that kind.

Please tell Mme Léocadie that next week I will need the notes that she promised me and those I sent to her.

I will think about the matter of the sister of our dear Anna.

Your very devoted Father in Jesus Christ

C. G. Van Crombrugghe
