Madame Superior

I know the sincerity of the sentiments that animate you; and your good wishes always give me pleasure. Receive anew my thanks for all the good you wish me. I will remember you to your cousin Colombe. Please tell Mlle Marie Stack that I will receive her with great pleasure, next Saturday.

All yours in Our Lord Jesus Christ

If I have not sent my greetings for the season to your dear sisters, I am doing so at present. Please be the interpreter of my sentiments which are so well known to you.
